2026 VERSION 1.0

De'Longhi Nespresso Essenza Mini & Inissia Compact, Personalised & Directly Available

Turn a daily coffee moment into a powerful branding opportunity.

Nespresso by De'Longhi sets the standard in premium coffee solutions – combining iconic design, ease of use and sustainability.

From the ultra-compact Essenza Mini to the iconic Inissia, every machine is engineered for daily professional use.

Minimalist. Functional. Built to last. Recognized worldwide, Nespresso stands for innovation and conscious design.

Technical. Refined. Instantly recognizable. That's the power of Nespresso. With Deonet, Nespresso machines become powerful brand ambassadors.

Coffee machines can be personalised with a high-quality full-colour print, allowing detailed logos and brand visuals to be reproduced with precision. The application ensures a sleek, durable finish while maintaining the refined look of the product.

Personalisation is possible from just one piece. No minimum quantities, no unnecessary stock risks. Directly from stock, fast and reliable delivery.

Iconic design. Personal impact. Maximum brand visibility.
