

JBL Charge 6

The JBL Charge 6 delivers powerful sound and long playtime wherever you go. Its redesigned hardware and new JBL AI Sound Boost provide fuller, richer audio without increasing its size. Thanks to its water-, dust-, and drop-resistant build, it's ready for any adventure. With up to 28 hours of battery life and a built-in power bank, you can easily charge your devices while listening. Plus, Auracast™ lets you connect multiple compatible JBL speakers for even wider sound—perfect for parties or sporting events.

Personalise the JBL Charge 6 with a full colour print and a sleeve.

Orders for personalised JBL products will only be accepted if JBL approved the personalisation and upon receipt of a signed Harman purchase and sale agreement.
