

ALPINA BBQ Electric Grill 2200W 51x30cm Origin China

High-performance outdoor cooking with the 2200W Electric BBQ

Enjoy fast and efficient outdoor cooking with the powerful 2200W Electric BBQ. Engineered to heat up rapidly, this appliance provides a reliable and smoke-free alternative to traditional grilling, making it absolutely perfect for garden or balcony use. Its lightweight and compact construction ensures that setting up for a fresh, warm meal is entirely hassle-free.

Generous cooking space and adaptable configuration

Featuring a spacious 51x30cm grill surface, this BBQ easily accommodates a wide variety of ingredients simultaneously, from meats and vegetables to larger spreads. Designed for ultimate flexibility, it can be used either as a freestanding grill with its sturdy stand or placed directly on a countertop as a table grill. It is an exceptionally versatile solution for seamless outdoor dining in any modern setting.

- Powerful 2200W performance
- Spacious 51x30cm grill surface
- Versatile stand or table configuration
