

Fresh 'n Rebel Twins Fuse 2

Complete focus with the Twins Fuse 2 ANC earbuds

Say hello to your new daily essential: the Fresh 'n Rebel Twins Fuse 2 earbuds! With advanced Hybrid Active Noise Cancelling, you can effortlessly filter out all background noise, allowing you to focus on your work or favorite playlist in peace, anywhere. Thanks to an impressive battery life of no less than 36 hours, you're always ready to head out without the worry of running out of power halfway through.

Smart audio and crystal-clear calls

Want to stay aware of your surroundings? With Ambient Sound Mode, you can tune back into the outside world instantly, while fully tailoring the audio to your liking via the My Sound App. Thanks to Multipoint Bluetooth, you switch fluidly between an online meeting on your laptop and an important call on your mobile phone, where 'Perfect calling' ensures you always sound razor-sharp. The perfect premium gift to treat your relations to an upgrade in comfort and sound quality!
