

Doming Sticker White, Flexible

Made in EU
Netherlands

Give your product an extra effect with a 3D doming sticker in any shape, size and colour you may need. This sticker is printed on white vinyl and is personalised with a full colour print. The transparent protective layer gives the sticker the ultimate protection against scratches, humidity and all weather conditions, but also gives the sticker an 3D effect. Because of the protective layer the sticker will remain beautiful over time. You can choose between stickers on a sheet or individually cut.
