

WMF Insulation tea jug 1.0l Impulse

Origin
China

How do you like your tea, freezing cold or piping hot? It doesn't matter to the insulation jug from WMF, it will keep your favourite drink at the right temperature for hours. A convenient automatic closure also allows for one-handed operation and minimises the risk of spillage. Thanks to a high-quality material combination of glass, silicone, plastic and Cromargan®, the simply designed container stays beautiful for a long time. The award-winning design is also more than impressive: A modern shape, stainless steel and black matte details ensure a visual highlight at your next gathering! The Insulation jug can be personalised with a full colour print, engraving or a sleeve.
