

Sony Bluetooth Speaker SRS-XB100

Origin
China

Experience impressive sounds with the super-compact SRS-XB100 wireless speaker by Sony. This speaker delivers powerful and clear audio, features a waterproof and dustproof design, and boasts up to 16 hours of battery life.

Produced with partially recycled plastic and packaged without plastic, this Sony speaker is eco-friendly. It includes a USB Type-C port for convenient charging. The sound produced by this speaker is remarkably clear and surprisingly expansive for its compact size. The Sound Diffusion Processor disperses the audio evenly in all directions.

The XB100 is designed to be your companion everywhere, offering a lightweight and compact form. Additionally, it comes with an adjustable carrying strap, allowing you to carry or secure your speaker effortlessly.

Personalise the Sony SRS-XB100 with a thermal print in full colour and a sleeve.
