

# Krups Nespresso Essenza Mini

Origin  
Ukraine

The Krups Nespresso Essenza Mini is the most compact coffee machine from Nespresso. It combines user-friendliness, simplicity, and Nespresso's unmatched quality, allowing you to consistently brew a delightful cup of coffee time after time. This coffee machine does not take up much space on your countertop, so there is still room for other kitchen appliances. You can use the adjustable water volume to make an espresso and lungo to your liking. If you add less water, the taste is more intense. If you are in a hurry in the morning, you can now still drink a cup of coffee since the coffee machine is warmed up and ready to use in 25 seconds. To save energy, it shuts off automatically after 9 minutes. This Krups Nespresso Essenza Mini comes in black. Also, see our other colours.
