

Targus Cypress Eco Slimcase

Origin
China

The Targus Cypress Slimcase with EcoSmart® is made from recyclable materials on the inside and out. The fabric of this bag is made from 14 recycled plastic water bottles, a sustainable choice with no compromises in design and quality. Featuring a single main compartment and a convenient quick-stash pocket, it's easy to safeguard your laptop and transport your essentials in this slim, lightweight case. Plus, with three modes of transport, you can grab and go with carry handles, go hands-free with the shoulder strap, or use the trolley strap to secure on your rolling luggage. Besides offering excellent protection this bag will be personalised with a full colour thermal print.
