

Hoto Electric Precision Screwdriver

Origin
China

This precision screwdriver set has 25 S2-steel precision bits which are suitable for a camera, clocks, controller or other devices. You can go from working with smaller parts in your electronics to repairing bigger gadgets with one quick change of the screwdriver head. Intuitive forward and back buttons can be enabled with one-press (only for automatic screwing). The magnetic screwdriver and magnetic storage box will help keep your set safe and organized and the box also has a convenient USB-C charging port built-in. Personalize the Hoto Electric Precision Screwdriver with an engraving, a full color print and a sleeve.
