

Therabody Theragun Mini

Origin
China

Therabody Theragun Mini is ergonomic triangle shape and grip ensure ease of use, while the 3 speeds (1750, 2100, 2400 PPMs) with an LED speed indicator offer a personalized experience.

Bluetooth-enabled, the Theragun mini allows you to access our entire library of personalized wellness routines in the Therabody app. Unleash the potential of Theragun, the only massage device proven to enhance recovery, performance, sleep, mobility, and stress relief. With a proprietary brushless motor featuring QuietForce Technology™ and a 120-minute battery life, the Theragun mini sets a new standard for on-the-go wellness solutions. Charge conveniently with its internal lithium-ion battery and USB-C charging capability. Embrace the deeper, longer-lasting relief with a 12 mm amplitude—your key to a more mobile and rejuvenated you.

Benefits:

- Decreases muscle soreness and fatigue
- Releases tension and knots • Speeds up recovery
- Relieves pain and discomfort
- Increases mobility and range of motion

The Theragun Mini can be personalised with a print in full colour, a Soft Case with thermal print in full colour and a sleeve.
