

# Targus GeoLite EcoSmart Advanced Backpack

Origin  
China

The Targus GeoLite EcoSmart Advanced Backpack is perfect for professionals seeking a modern, lightweight, and functional backpack. The backpack offers plenty of storage with various (zippered) compartments to keep your belongings organized and protected. There's a dedicated compartment for laptops of varying sizes, with a padded back panel for optimal comfort. Dual side pockets keep your water bottle and umbrella close at hand. Travel with ease using the integrated trolley strap, which allows you to attach the bag securely to your suitcase. With its water-resistant exterior and earth-conscious interior, this pack delivers on style, functionality, and sustainability, keeping you and your gear ready for the long haul. Personalize your Targus GeoLite EcoSmart Advanced Backpack with a Thermal print in full colour.
