

# Igloo Playmate Pal Cooler 6L

Origin  
United States

## Everyday portability with the Igloo Playmate Pal 6L

Enjoy a perfectly chilled lunch anywhere with the compact Igloo Playmate Pal Cooler. Featuring a practical 6.6-liter capacity, this lightweight cooler is ideally sized for carrying daily meals, snacks, and refreshments. It serves as a seamless addition to any daily commute, field trip, or outdoor break, ensuring your food stays fresh and easily accessible throughout the day.

## Advanced cooling and push-button convenience

Engineered for effortless use on the move, this cooler is equipped with premium triple-layer insulation that guarantees optimal temperature retention. The iconic tent-top lid features a convenient push-button release and opens smoothly from both sides for quick access in any setting. With its durable build and clean, professional appearance, it brings reliable and hassle-free cooling to any active routine.

- Practical 6.6L capacity
- High-performance triple-layer insulation
- Push-button dual-opening lid
