

Igloo Travel Mug Flip n Sip

Origin
United States

The 946 ml stainless steel mug is designed for life on the go, packed with intuitive, user-friendly features: a leak-proof Flip 'n' Sip lid, anti-leak indicator, built-in coaster, effortless flip-and-drink mechanism, and a leak-proof straw. Its generous 946 ml capacity is perfect for that extra-large coffee, ice-cold water, or a big juice blend, keeping drinks hot or cold for hours.

Durable, reusable, and eco-friendly, this mug replaces disposable cups while fitting easily into bag pockets and most standard cup holders. Its sweat-resistant exterior ensures a secure grip, and the wide opening makes refilling and cleaning a breeze. With up to 8 hours of heat retention and 48 hours of cold retention. This mug is ready to keep you refreshed all day long.

Personalise the mug with a full-colour print, engraving and a sleeve.
