

Peak Design Roller Pro

Origin
Vietnam

The Peak Design Roller Pro is a next-generation carry-on suitcase for the professional traveler. The design combines smooth mobility with a sleek organization of luggage. With a weight of 3.9 kg and a capacity of 34 liters, the suitcase meets global carry-on requirements in its standard configuration. The capacity expands to 39 liters for extra flexibility during longer trips. The Roller Pro is available in the colors Sage, Black and Eclipse.

The suitcase provides protection for a laptop up to 16 inches and is fully compatible with all Peak Design Packing Cubes. For photographers, the interior is specifically designed for the XL Camera Cube. The telescopic handle adjusts to a height of 90.5 cm or 100 cm for optimal ergonomic use. Its success on Kickstarter underlines the strong market position of this model.

The Peak Design Roller Pro can be personalized with a thermal print directly on the suitcase or on the accompanying ID Tag.
