

Peak Design ID Tag

Origin
Vietnam

The Peak Design Luggage Tag offers a durable and refined alternative to standard luggage labels. The design is discreet and specifically developed to maintain the appearance of professional luggage. With a weight of only 6.3 grams and a material thickness of 1 mm, this label is compact and highly functional. The tag comes in the color Black and fits seamlessly with the entire Peak Design travel collection.

he construction withstands the heavy demands of international transport. A sturdy 13 mm wide strap ensures secure attachment to any bag or suitcase. Dimensions of 95 mm by 25 mm provide sufficient space for identification without appearing bulky. The robust material guarantees that contact information remains legible during intensive use.

The Peak Design Luggage Tag can be personalized with a thermal print.
