

GRUNDIG In-ear Earphones ANC with USB-C Connection

Origin
China

Silent focus with Grundig ANC USB-C Earphones

Help your relations block out distractions and find their focus anywhere with the Grundig ANC In-Ear Earphones. Equipped with Active Noise Cancelling, they effectively filter out background chatter in busy offices, cafes, or during commutes. The modern USB-C connection guarantees wide compatibility with the latest smartphones, tablets, and laptops, making it a reliable plug-and-play solution for the modern hybrid workplace.

Crystal-clear calls and premium corporate value

With an integrated microphone for convenient hands-free use, your clients or team members can jump into virtual meetings or take important business calls on the go with ease. The ergonomic, comfortable fit ensures they can be worn effortlessly throughout the busy workday. It's a highly practical and professional corporate gift that immediately proves you understand the needs of today's fast-paced business world!

- Active noise cancelling for immersive sound
- USB-C connection ensures wide compatibility
- Built-in microphone for hands-free calls
