

# Igloo Latitude 52 Cooler 49L

Origin  
Yhdysvallat

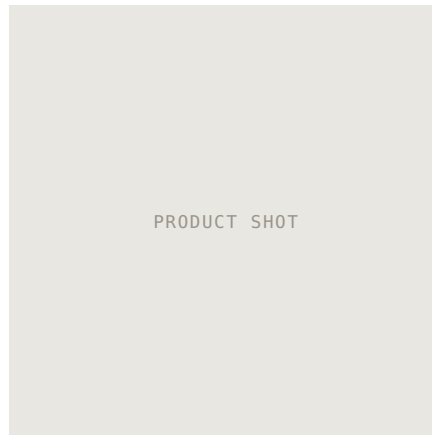

## Large-capacity cooling with the Igloo Latitude 52

Keep a crowd fully refreshed and energized with the ultra-spacious Igloo Latitude 52 Cooler. Boasting a massive 49-liter capacity, this bestselling large cooler is meticulously built to handle extensive outdoor events, worksites, or large team gatherings. Its classic architecture paired with superior insulation technology ensures that vast amounts of food and drinks stay ice-cold and fresh for hours on end.

## Smart design for maximum convenience

Designed with high functionality in mind, the Latitude 52 simplifies the task of managing refreshments for crews big and small. It features rugged, heavy-duty side handles for secure two-handed lifting, along with integrated cup holders on the lid to maximize usability in any setting. It is a highly dependable asset for maintaining an efficient, well-stocked workflow during demanding days on the move.

- Massive 49L capacity
- Rugged side swing handles
- Integrated lid cup holders
