Modern connectivity with Grundig USB-C Earphones

Streamline your daily audio experience with the sleek white Grundig USB-C In-Ear Earphones. Specifically designed for modern devices, these earphones offer a reliable plug-and-play connection without any battery anxiety. They provide a lightweight, comfortable in-ear fit that is perfect for enjoying great music or staying productive while on the move.

Seamless calls and effortless volume control

Equipped with a built-in microphone and an inline volume control, this handy accessory makes managing business calls and virtual meetings incredibly seamless. Its practical everyday utility and budget-friendly appeal make it an ideal choice for large-scale promotional giveaways or corporate welcome kits. It's a simple tech essential that keeps your brand close at hand!

- USB-C connection for modern devices
- Built-in microphone and volume control
- Comfortable in-ear fit
