

ALPINA Airfryer 3.5L 1400W Digital 230V

Origin
China

Modern cooking efficiency with the Digital 3.5L Airfryer

Streamline daily meal preparation with the sleek and powerful 1400W Digital Airfryer. Designed for modern kitchens, this appliance offers a convection method that creates a crispy texture without the need for oil, supporting a balanced and conscious lifestyle. Its 3.5-liter capacity provides the ideal volume for preparing quick meals or delicious side dishes efficiently.

Intuitive controls and rapid performance

Equipped with a clear digital display, this airfryer allows for precise temperature and timer adjustments with minimal effort. The robust 1400W heating element ensures exceptionally fast heat-up and cooking times, helping you manage busy schedules without compromising on quality. It is a highly practical addition to any workplace kitchen or home setup, making daily food preparation completely hassle-free.

- Healthy oil-free frying
- Intuitive digital display
- Powerful 1400W rapid heating
