

Igloo Latitude 60 Roller Cooler 56L

Origin
États-Unis

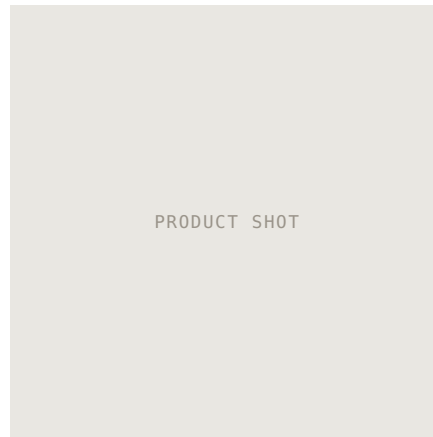

Effortless mobility with the Igloo Latitude Wheeled Cooler

Keep refreshments perfectly chilled for any large group with the spacious Igloo Latitude Wheeled Cooler. This large roller cooler is engineered to handle extensive outdoor events, sports days, or team operations with ease. Its classic design and superior insulation ensure that all food and drinks remain ice-cold throughout long days on the move.

Thoughtful design for smooth transportation

Built for maximum convenience, this wheeled cooler features highly practical details that take the heavy lifting out of your day. The sturdy wheels and ergonomic handle allow for smooth transit over various terrains, making it effortless to move large quantities of refreshments. It is an indispensable asset for maintaining high energy levels and keeping everyone refreshed on any outing.

- Large-capacity design
- Smooth-rolling wheels
- Heavy-duty towing handle
