

Doming Sticker Transparent

Made in EU
Netherlands

Give your product an extra shine with a 3D doming sticker in any shape or size you may need. Beautiful full-colour print. The transparent protection layer made of Polyurethane gives the sticker the ultimate protection against scratches, humidity and all weather conditions but also gives the sticker a glossy 3D effect. Because of the UV protection, colours will remain beautiful over time. Standard extra adhesive when needed. You can choose between stickers on a sheet or individually cut.
