

# Case Logic Invigo Electronics Organization Case

Origin  
Cambodia

The Case Logic Invigo Electronics Organization Case has space for your cables, earbuds, adapters and other personal items. Great to use in a larger bag or on its own. Keep your passport, pen, and electronic essentials within reach with the pen pocket, zip pocket, and large slip pocket. Organize a portable charger, cords, and accessories in a variety of secure pockets and elastic loops. Made from 100% recycled exterior fabric, interior linings, mesh, and packaging as well as partially recycled trims. These electronic cases check all the boxes if you're looking for an eco-friendly option. Along with the rigorous product testing and high-quality construction these are bags that are guaranteed to stand the test of time. It can be personalised with a thermal print in full colour.
