

# Duracell Powerbank Charge Plus

Origin  
China

If you are always on the go, you do not want to be tied to a socket when your cell phone's battery is low. The Duracell Power Bank Charge Plus power bank is a portable solution to charge your phone or any other device anywhere! This powerful external battery charges devices 2 times faster than from a wall socket, thanks to the input and output of 2.4 A. So you can continue to use your devices without being distracted and worrying! Thanks to dual charging technology, you can charge your phone and headphones at the same time. And with the help of the LED display, you can always check how much energy is still available. And of course you can personalise Duracell Charge Plus with a full colour print and sleeve!
