

Duracell Powerbank Core 10

Origin
China

Duracell Core 10 is a wireless powerbank with a smooth and elegant design. It can power smartphones, tablets and other devices up to PD 25W via USB-C and USB-A ports. An LED light indicates available capacity and when the powerbank needs to recharge. It fits in any bag and can even be taken in the hand luggage on a plane.

Duracell quality assurance provides reliable power quality, surge protection and many more advanced safety features to give you peace of mind. It can be personalised with a full colour print and a sleeve.
