

Targus Sagano Eco Travel Commuter

Origin
China

Targus Sagano EcoSmart Commuter is the functional and eco-friendly backpack that is equipped with a padded laptop compartment and a large, zippered front pocket for easy access items. Inside there is a handy workstation to keep your pen, ID or keys. Outside there are two convenient side pockets for your drinking bottles, and a zippered back stash pocket to keep your phone or wallet secure. Clouds rolling in? No problem! This bag has a hidden pocket with a built-in rain cover. The Sagano EcoSmart Commuter Backpack helps to carry your stuff with contoured shoulder straps and mesh back padding. And easy air flow keeps you cool. It is made of recycled materials certified by GRS, for the production of this backpack 8 recycled plastic bottles were used. It can be personalised with a high resolution thermal print of your logo or design.
