

Badge Company Pass

The Company pass is a must have at conferences, trainings, in a warehouse or other places where you need to identify yourself. The pass can be either individual (with a photo and / or name) or with any general info. You can print a (unique) QR code, barcode, photo, serial number, name, position or even a map. Everything can be custom-made on this pass! Choose one of the additional accessories for the pass - reel or/and a lanyard. A reel can be fastened to a bag, pocket or belt and it can be personalized by doming. You can hang a pass around your neck with a lanyard, so it will be visible for everyone. It can be personalized with a full color print and a doming (only badge reel).
