

Powerit-Now Electronic Ruler

Origin

The Powerit-Now Electronic Ruler allows you to measure any length quickly and effortlessly. Simply roll the measuring wheel over the surface, and the exact measurement will instantly appear on the digital display. With five different measurement modes, you can easily navigate obstacles and complex shapes, while the ultra-long measuring range of 99 metres ensures precise results every time. Its compact design makes it perfect for carrying anywhere, as it fits easily in your pocket. Charging is simple via USB-C, so you're always ready to measure without interruptions. Personalise your Powerit-Now Electronic Ruler with a print in full colour and a sleeve.
