

Sony ULT Tower 9

Origin

The Sony ULT Tower 9 is a powerful party speaker with 360° sound that fills every corner of the room. Choose between ULT1 for deep bass or ULT2 for punchy beats. Connect guitars or use the karaoke feature for instant performances, and boost TV audio for a cinematic experience. The 10-band equaliser in the Sound Connect app lets you customise your sound, while 360° LED lights move with the beat. Party Connect allows you to link up to 100 speakers for an unforgettable event.

Personalise the Sony ULT Tower 9 with a full colour print.
