

IGLOO®
THE COOLER BRAND

2026 VERSION 1.0

LIFE'S COOLER WITH IGLOO

The world's leading cooler brand – now fully personalized by DEONET.

Turn cool products into cool brands

For over 75 years, Igloo has been the world's largest producer of cooling solutions, setting the standard in innovation, durability, and iconic design.

From legendary hard coolers to stylish soft coolers, premium drinkware, and hydration essentials – Igloo products are made to perform. Recognized worldwide, the brand stands for quality, reliability, and timeless American design. Whether at the beach, on the road, at events, or in the workplace, Igloo keeps moments cool and memorable.

Its broad portfolio offers solutions for every environment and every audience. Strong, functional, and instantly recognizable. That's the power of Igloo.

With us, Igloo products become powerful brand ambassadors.

Coolers, mugs, hydration bottles, soft and hard coolers – all can be professionally personalized.

From engraving to full-colour print and doming, your brand stands out with premium impact. And the advantage? Personalization is possible from just one piece.

No minimum quantities, no unnecessary stock risks. Thanks to our own inventory, we deliver quickly and reliably. Iconic products. Personal touch. Maximum brand visibility.

Igloo Playmate Pal Cooler 6 L

ICONIC DESIGN. COMPACT POWER.
FULLY PERSONALIZED.

The Igloo Playmate Pal Cooler 6 L is a lightweight and practical cooler, perfect for lunch breaks, commuting or outdoor events. With a 6–6.6 litre capacity and triple-layer insulation, it keeps food and drinks chilled or warm for longer.

The iconic tent-top design and push-button lid that opens to either side ensure easy and convenient access.

Personalise the cooler with a full-colour wrap and sleeve using Max Print for strong brand visibility.

Key Specifications:

- 6–6.6 L capacity with triple-layer insulation
- Keeps contents chilled or warm
- Lightweight (approx. 0.99 kg) and fully customisable with Max Print

Igloo Playmate Pal Cooler 15 L

MAXIMUM CAPACITY. ICONIC CONVENIENCE.

The Igloo Playmate Pal Cooler 15 L is the largest model in the Playmate family, offering a generous 15.2 litre capacity. Spacious enough for food, drinks and even 1.5 litre bottles, it is ideal for company outings, events or on-the-go use.

Thanks to its triple-layer insulation, contents stay chilled or warm for longer. The iconic tent-top design and dual-opening lid provide easy access wherever you are.

Personalise the cooler with a full-colour wrap and sleeve using Max Print for strong and visible branding.

Key Specifications:

- 15 L capacity, fits 1.5 L bottles
- Iconic tent-top design with dual-opening lid
- Portable size and fully customisable with Max Print

Igloo IE27 Electric Cooler

POWERFUL ELECTRIC COOLING. READY FOR EVERY JOURNEY.

The IGLOO IE27 Electric Cooler combines a generous 27 litre capacity with reliable thermoelectric cooling performance. Designed for travel, events and outdoor use, it cools up to 20°C below ambient temperature thanks to its dual-fan system and strong insulation.

Suitable for both 12V (car) and 230V (home or campsite) connections, it offers maximum flexibility wherever you go. The integrated carry handle locks the lid securely, while the built-in cable compartment keeps the power cord neatly stored.

Personalise the cooler with a full-colour Max Print and sleeve for maximum brand impact.

Key Specifications:

- 27 L capacity with thermoelectric cooling (up to 20°C below ambient)
- AC/DC use: 12V (car) and 230V (home/campsite)
- Portable design (approx. 4.2 kg) and fully customisable with Max Print

Igloo Sport 2 Gallon Container

HIGH-CAPACITY HYDRATION. BUILT FOR PERFORMANCE.

The IGLOO Sport 2 Gallon Container is a fully insulated drink jug designed to keep beverages cold throughout games, workouts and outdoor events. With a generous 7.75 litre capacity, it provides ample hydration for teams and active environments.

Triple-layer insulation and Cool Riser Technology® ensure optimal cooling performance. The recessed, angled push-button spigot allows for easy dispensing, while the wide-mouth opening with lid vent valve ensures effortless filling.

Personalise the container with full-colour domings for strong and durable brand visibility.

Key Specifications:

- 7.75 L capacity with full insulation
- Push-button spigot and wide-mouth opening for easy use
- Customisable with durable full-colour domings

Igloo Travel Mug Flip 'n Sip

EXTRA CAPACITY. MAXIMUM PERFORMANCE.

The Igloo Travel Mug Flip 'n Sip is a 946 ml stainless steel thermal mug designed for life on the move. Featuring a leakproof Flip 'n Sip lid with integrated straw and intuitive flip-and-drink system, it ensures effortless hydration throughout the day.

Double-wall insulation keeps beverages hot for up to 8 hours and cold for up to 48 hours. Durable, reusable and sweat-resistant, it fits easily into bags and most standard cup holders.

Personalise with full-colour print, engraving and an optional sleeve for premium brand presentation.

Key Specifications:

- Generous 946 ml capacity (0.58 kg)
- Keeps drinks hot up to 8 hours and cold up to 48 hours
- Leakproof Flip 'n Sip system with custom branding options

Igloo Bottle Sport Sipper

EFFORTLESS HYDRATION. HOT OR COLD.

The Igloo Bottle Sport Sipper is a 590–600 ml stainless steel thermal bottle designed for smooth, everyday use. The leakproof screw lid with integrated straw and soft sip mouthpiece ensures convenient, spill-free drinking on the go.

Double-wall insulation keeps beverages hot for up to 6 hours and cold for up to 24 hours. Slim, durable and sweat-resistant, it fits easily into bags and standard cup holders.

Personalise with full-colour print, engraving and an optional sleeve for premium brand presentation.

Key Specifications:

- 590–600 ml double-wall insulated stainless steel bottle
- Leakproof Flip 'n' Sip system with integrated straw
- Customisable with full-colour print or engraving

Igloo Coffee Mug

COMPACT WARMTH. EVERYDAY CONVENIENCE.

The Igloo Coffee Mug is a reusable stainless steel mug designed to keep your favourite coffee or tea at the perfect temperature wherever you go. With a capacity of approximately 425–440 ml, it is ideal for daily commuting, office use or travel.

The leakproof Flip 'n' Sip screw lid ensures effortless drinking, while the sturdy side handle and built-in coaster provide extra comfort and stability. Double-wall vacuum insulation keeps beverages hot for longer.

Personalise the mug with full-colour print, engraving and an optional sleeve for premium brand presentation.

Key Specifications:

- Approx. 425–440 ml double-wall vacuum insulated stainless steel
- Leakproof Flip 'n' Sip lid with sturdy handle
- Customisable with full-colour print or engraving
